### *ultimate om d olympus e m1 mark ii review*

nov 23 2016 it impressed us with its build quality image quality  
ridiculous amount of manual control that s a compliment and boatload of  
features three years later it s still very competitive to say that olympus  
has outdone itself with the e m1 mark ii is an understatement the  
company told us that this camera was overdeveloped and it shows its
