[The Process Genre](#) - Salomé Aguilera Skvirsky 2020-03-20

From IKEA assembly guides and “hands and pans” cooking videos on social media to Mister Rogers's classic factory tours, representations of the step-by-step fabrication of objects and food are ubiquitous in popular media. In *The Process Genre* Salomé Aguilera Skvirsky introduces and theorizes the process genre—a heretofore unacknowledged and untheorized transmedial genre characterized by its representation of chronologically ordered steps in which some form of labor results in a finished product. Originating in the fifteenth century with machine drawings, and now including everything from cookbooks to instructional videos and art cinema, the process genre achieves its most powerful affective and ideological results in film. By visualizing technique and absorbing viewers into the actions of social actors and machines, industrial, educational, ethnographic, and other process films stake out diverse ideological positions on the meaning of labor and on a society's level of technological development. In systematically theorizing a genre familiar to anyone with access to a screen, Skvirsky opens up new possibilities for film theory.

DIY Kids Bath Treats Business Start-Up - Theresa Rogers 2019-09-23

DIY Kids Bath Treats Business Start-up How to Make Money Crafting and Selling Fun and Fresh Children's Bath Bombs, Bath Fizzies, Soap Crayons, Bubble Bath, and MORE! As an added bonus, when you purchase the paperback book on Amazon you can download the eBook version for FREE! That way, you can see all of the helpful photos in full color in the eBook version. Do you have kids or grandkids who hate to take baths? Is bath time a chore in your house rather than a delight? Are you feeling like exhibiting your creativity but you'd maybe also like to make some money on the side? Bath bombs and bathing treat products are a big business. One area that is underserved is specialty bath treats aimed at kids. In this book, I will show you from top to bottom, start to finish, from product creation to thriving money making business - how to start a kids bath treats business. Wouldn't you love to work from home and be your own boss? Some of my heroes include the intrepid women who stepped out on their own and turned their passion for their hobby creating a product they believed in into a thriving, long-term business. I started making bath treats for my grandkids because many of the bath bombs, bubble baths, shampoos, and bath products that are on the market today contain ingredients that you can't even pronounce, let alone know what they are! When I looked for bath products for my young granddaughter, I was disappointed that I couldn't find much. I wanted to know what was in the products and whether it was harmful to her tender skin. I wanted something unique that would be fun for her. That's when I did my research and learned the basics of making bath products. I started making bath products for my granddaughter. She loved them so much, she told her friends about them.

Eventually, I was making bath treats for and her friends - and their friends! In this book, I show you exactly how to do what I did from top to bottom, start to finish, step by step. In the first part of the book, we'll talk about the actual products of the bath treats. If you're only interested in making bath products for the special kids in your life, whether you decide to sell them or not, this entire first half is for you! In PART ONE I discuss topics like: The Harm of Most Products on the Market Why Make Bath Treats? Use only ingredients that are safe for application to the skin. Use the correct supplies and equipment. List of Suppliers Bath Bomb Basics I also include a list of 27 fun, funky, and fresh recipes that will appeal to kids of all ages (and kids at heart!) Basic Recipes At the Beach Themed Recipes Candy Shop Recipes Quiet and Calm Recipes Art Inspired Recipes Fairy Tale and Make-believe inspired recipes The entire second half of the book is dedicated to the nitty-gritty of starting, running, growing your own home based bath treats business. In PART TWO, we'll talk about: How to Start a Bath Treat Business Is it for You? What Makes a Success? Understanding the Business Mind Friends and Family Support Vital Self-Exploration Questions The Cost to Start Business Structure Make a Business Plan (including a sample business plan) Determine Your Target Market Daily Operations Setting Up Shop Marketing Your Business Social Media How to use a blog to your advantage Networking A Real-Life Case Example Pricing Your Products Packaging Federal Labeling Requirements The bath treats business that I started has provided me with a substantial retirement income that I truly appreciate. I hope to share those secrets to success with you as well

**No-Sew Love** - Ashley Johnston 2014-08-05

Although Ashley Johnston is comfortable with a needle and thread -- and really enjoys making handmade items for her children and home -- she could certainly understand that sewing machines can strike fear and dread into the hearts of many crafters. The complicated machinery with the fussy parts as well as confusing pattern directions send many people running from any craft that requires sewing. No-Sew Love is filled with ideas for the non-sewing crafter or for the more casual sewist who would rather not haul out the sewing machine for a quick project. Materials all easily found at craft and fabric stores -- hem tape, fusible webbing, a variety of glues, and of course, fabric -- are all you need to whip up the 50 no-sew wonders in the book. There are throw pillows, grommet curtain panels, cute kids' clothing, holiday decorations, and even accessories for you! Projects are photographed at each step for crystal-clear directions, and sure-to-

please results.

**Soap Making 101** - P. Karn 2015-02-07

The Art and Craft of Handmade Soap As an essential resource for soap-making, the Art and Craft of Handmade Soap covers all the essential information that both connoisseur and seasoned soap-makers can take advantage of. The Art and Craft of Handmade Soap was written and produced out of love for making homemade soaps. It traces back the history of soap, from the legend of soap in Mount Sapo to the rise of today's commercially-made soap. However, the book's contents are devoted towards educating a new soap-maker and filling information for the seasoned one. The Art and Craft of Handmade soap details the use of different soap making processes - pour-and-melt, hot processes and cold processes, along with each process' strength and weaknesses. Furthermore, the book also provides insider information on how to infuse handmade soaps with oils and essences, choosing ingredients for a rich, creamy lather, as well as expert tips on cutting, curing and storing of handmade soaps. Providing straightforward step-by-step instructions, required tools and equipment and safety tips in making personal soaps, this book provides a comprehensive introduction for the uninitiated soap-makers. Making your own soap in today's world does not just make frugal and economic sense. Beyond anything, it is practice too often overshadowed by large soap industries, diminishing its impact and significance that were once highly regarded. The Art and Craft

of Handmade soap takes readers to the centuries when soap was regarded a luxury and people placed great emphasis on its composition. Making your own soap affords you to choose your own ingredients, resulting to the kind of fragrance, lather and feel with your own personal magic. Personal and handmade soap-making is like being able to concoct your own bar of magical essence and fragrances - a true and one-of-a-kind luxury you do not get to experience from store-bought soaps. This book will help jumpstart your endeavor in weaving that kind of magic.
