Lonely Planet - British Columbia and the Canadian Rockies - Lonely Planet 2017-04-01

Destination Hikes - Stephen Hui 2021-05-11

Discover 55 of the most beautiful hikes near Vancouver, each with an exciting destination to reward your efforts. Planning your next hiking journey in beautiful British Columbia? This new book from the bestselling author of 105 Hikes will show you how to reach the most breathtaking hiking destinations in the province. 55 new day trips: celebrate nature big and small with astonishing hikes you can do in one day. Large geographical area: the book covers Duffey Lake and the Stein Valley in the north, Washington's Cascade Mountains in the south, Nanaimo and the Gulf Islands in the west, and Manning Park and the Coquihalla in the east. Diverse destinations: including astonishing views, swimming holes, beautiful rivers and lakes, and even a 600-year-old tree. History and ecology: the author acknowledges the Indigenous territory each trail crosses, and points out nearby museums, wetlands, temples, and memorials. Giving back: A portion of the author's royalties will go to the Hope Mountain Centre for Outdoor Learning to support trail building and maintenance. With each hike, bestselling author and seasoned BC hiker Stephen Hui shares everything you need to know to make your day a success. Bonus features include: A photograph of every hike Topographic maps Difficulty ratings At-a-glance summaries of special features Recommendations for kids and families, and shoulder season.

Field & Stream - 1987-03

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

In the Presence of Grizzlies - Doug Peacock 2009-03-17

Winner of ForeWord Magazine's 2006 Gold Award for Nature Book of the Year The most comprehensive and compelling chronicle of human-grizzly-bear interactions ever written, *In the Presence of Grizzlies* (formerly published as *The Essential Grizzly*) examines the fragile bond between ourselves and the quintessential alpha predator. Doug and Andrea Peacock contend that the conservation of big, wild, sometimes dangerous animals is essential for the survival of our own species and for the sense of humility necessary for rational thought. They explore a wide range of human-grizzly encounters through interviews with biologists, mauling victims, hunters, and photographers. To these they add unique portraits—sketches of real grizzlies from the bear's viewpoint—and up-to-date commentary on such developments as the declassification of grizzlies as an endangered species. *In the Presence of Grizzlies* eclipses all existing books on bear behavior and bear attacks, providing readers with a twenty-first-century context for revisiting the original shudder of *Homo sapiens*—the bear in the cave of our genesis.

Legacy of Trees - Nina Shoroplova 2020-06-09

An engaging, informative, and visually stunning tour of the numerous native, introduced, and ornamental tree species found in Vancouver's Stanley Park, combining a wealth of botanical knowledge with a fascinating social history of the city's most celebrated landmark. Measuring 405 hectares (1,001 acres) in the heart of downtown Vancouver, Stanley Park is home to more than 180,000 trees. Ranging from centuries-old Douglas firs to ornamental Japanese cherry trees, the trees of Stanley Park have come to symbolize the ancient roots and diverse nature of the city itself. For years, Nina Shoroplova has wandered through Vancouver's urban forest and marvelled at the multitude of tree species that flourish there. In *Legacy of Trees*, Shoroplova tours Stanley Park's seawall and beaches, wetlands and trails, pathways and lawns in every season and every type of weather, revealing the history and botanical properties of each tree species. Unlike many urban parks, which are entirely cultivated, the area now called Stanley Park was an ancient forest before Canada's third-largest

city grew around it. Tracing the park's Indigenous roots through its colonial history to its present incarnation as the jewel of Vancouver, visited by eight million locals and tourists annually, *Legacy of Trees* is a beautiful tribute to the trees that shape Stanley Park's evolving narrative.

Walking Vancouver - John Lee 2010-01-01

There's no better way to explore one of the world's most livable cities than on foot. *Walking Vancouver* shows you Vancouver, British Columbia as you've never seen it before, whether you're a die-hard local or a first-time visitor. Site of the 2010 Winter Olympics, the city is already renown for its diverse neighborhoods, easily accessible sites, and "clean and green" image. With this book you'll explore neighborhoods such as Chinatown, Kitsilano, and the West End, accompanied by the amusing and savvy descriptions from the author, a Vancouver insider. The 36 anecdote-packed, easy-to-follow ambles include Stanley Park's hidden sites; University of British Columbia's unexpected attractions; Granville Island's artisan pit stops; and the historic mansions of old-school Shaughnessy Heights. There's a perfect pub crawl in Gastown; lively farther afield strolls in Steveston, New Westminster and the North Shore; and even an eye-opening tour around the Downtown Eastside. You'll uncover the colorful stories behind street names, character buildings, and eye-catching public art. This highly portable guide features detailed maps for each trip, original photos, and parking/transit information for every trip. Route summaries make each walk easy to follow, and a "Points of Interest" section summarizes each walk's highlights.

Directories in Print - Verne Thompson 2008-05

The Rough Guide to Travel Online - Samantha Cook 2004

The Rough Guide to Travel Online shows you how to make the Web work for you as you plan, book and enjoy your next trip - anywhere in the world. In plain English it explains how to use the web to research a destination or interest, find cheap tickets for flights, buy you holiday online with complete security, choose a hotel, find out about visa and vaccinations and even how to stay in touch when you're out on the road. Drawing on Rough Guides' unrivalled expertise in travel, this book will help you find the perfect short break or the holiday of a lifetime - whatever your budget.

Mountain Bike Adventures in Southwest British Columbia - Greg Maurer 1999

Southwest British Columbia offers a tremendous opportunity for outstanding mountain bike adventure. This guide provides the information cyclists of all levels need to get out of the city and experience great outback riding in beautiful, uncrowded areas of B.C. The described routes were selected for their aesthetic and riding quality, with the aim of encouraging outdoor enthusiasts to return and explore the wilds not just by bike, but by backpacking, hiking, skiing, and snowshoeing. Alpine destinations and hidden lakes, hot springs and canyons, old-growth groves, and wild rivers give flavor to the selected rides, each no more than four hours of travel from Vancouver. And because many different elements affect the quality of a mountain bike tour, the author pays particular attention to the details of each trail, including grade and physical effort required.

Hidden Pacific Northwest - Eric Lucas 2009-07-03

Hidden guides combine unique travel choices, outdoor adventures and little-known locales into a guide where vacations meet adventures. Each guide includes detailed maps, complete internet information for each listing, highlighted author favorites, suggested itineraries, and walking and driving tours. While Seattle may be leading the growth in this red-hot region, there are still many unspoiled getaways to be found in the Pacific Northwest. This guide balances coverage of vintage favorites with new hot spots. *Hidden Pacific Northwest* takes travelers one step further by adding extensive coverage of outdoor activities, from windsurfing the

Columbia River Gorge to climbing glaciers on Mount Rainier to sea kayaking the British Columbia coast. It details 333 places to hike and 726 campgrounds. Also described are distinctive lodging options -- including 93 coastal inns -- 18 covered bridges to write home about, 10 lighthouses to climb, and 45 places to shop for Northwest crafts. This edition features 53 maps.

Nancy Bush's Nowhere Bundle: Nowhere to Run, Nowhere to Hide & Nowhere Safe - Nancy Bush 2013-10-01

Some Secrets When Liv Dugan ducks out of work for lunch, it's just an ordinary day. When she returns, she stumbles onto a massacre. All her colleagues at Zuma Software have been shot. Only luck has left Liv unscathed, and that might be running out. . . Will Follow You Liv suspects the shootings are tied to her past--and to the package she recently received from her long-dead adoptive mother. Sensing she's being followed, Liv jumps into a stranger's car and orders him to drive. Her "hostage" complies, listening carefully as her story unwinds. Skeptical at first, he ultimately begins to believe all Liv's fears are justified. . . To Your Grave Together, Liv and her unlikely confidant try to uncover the truth about her adoptive family, her birth parents, and her troubled childhood. Because somewhere in Liv's past is a secret worth killing for, and a nightmare she can never outrun. . . There Are Sins "Do unto others. . ." Carefully, he carves the words into their flesh. The victims are all young, brunette, pretty. But she's the one he really wants. The others are just a way to ease the rage that has festered for years, until the only thing that calms him is his knife slicing through skin. . . You Never Live Detective September Rafferty--Nine to her friends--recognizes the artwork that arrives in the mail. She created it back in second grade. Now a killer's words are slashed across it in what looks like blood. He knows her. September's investigation leads to her old classmate, Jake Westerly. She wants to believe Jake is innocent. But trusting anyone could be her last mistake. . . To Regret Every slight, every slur, he remembers them all. They turned him into a monster, and now they will suffer for it. Starting with September, he'll show them that the past can never stay hidden, and the time of vengeance is at hand. . . The Guilty She senses their twisted desires before she meets them. It's as if fate is helping her stop these monsters from preying on others the way she was preyed upon. And after she has delivered brutal justice, she'll let the whole world see their guilt. Will Atone "I must pay for what I've done." The first victim--naked, bound, frozen to death--wore the note strung around his neck. Now there's another note--this one attached to Detective September Rafferty's own stepbrother. Stefan survives, but September is sure he knows more than he's saying. Someone is eliminating suspected sexual predators. And the only thing more dangerous than a madman is a killer who's ruthlessly sane.

The New Key to Costa Rica - Beatrice Blake 2004-11-22

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Rough Guide to Canada - Tim Jepson 2004

THE ROUGH GUIDE TO CANADA is the definitive handbook to this diverse country. Features include: Full-colour section introducing Canada's highlights. INDISPENSABLE TRIP PLANNING TOOLS: Fodor's

recommends the top attractions and experiences, highlighting must-see sights from Stanley Park in Vancouver to microbreweries in Portland. Four chapters provide in-depth information on visiting stunning national parks: Crater Lake, Olympic, North Cascades, and Mount Rainier. DISCERNING RECOMMENDATIONS: Fodor's Pacific Northwest offers savvy advice and recommendations from local writers to help travelers make the most of their visit. Fodor's Choice designates our best picks in every category. COVERS: Portland, Seattle, Vancouver, Willamette Valley, Mt. Hood, Bend, Mt. St. Helens, San Juan Islands, Olympic National Park, Mt. Rainer, Victoria, and more.

The Pursuit and Capture of Hidden Treasure - Paul L. Jones 2010-11
Jones graduated from South Dakota School of Mines with a B.S. in Mining Engineering. His 50 year career was devoted to mine exploration and the management of producing mines and mills with two millions miles of travel in the U.S. and a dozen foreign countries. At two New Mexico uranium mines, his management yielded the highest productivity in the district. In Honduras, he regained control of a collapsing silver mine that killed the former manager. In Nicaragua, he reopened a gold mine that defied the efforts of former managers.

Hidden Pacific Northwest - Eric Lucas 2007-04

In-depth coverage of the area's wonderful cities of Portland, Seattle, Vancouver, and Victoria--plus its coastal hamlets and mountain getaways--is combined with dozens of tips for discovering "hidden" spots like Lost Lake. Details on more than 200 parks, beaches, wilderness areas, hiking trails, and campgrounds are included.

Quill & Quire - 2009

Ghost Towns of the Pacific Northwest - 2013-04-29

Ghost Towns of the Pacific Northwest is a guidebook to the best boomtowns of Oregon, Washington, and British Columbia. Once thriving centers for mining, fishing, logging, and national defense, these abandoned camps and pioneer villages still ring with history. Ghost town expert Philip Varney equips you with everything you need to know to explore these remnants of the past. Featuring color maps, driving and walking directions, town histories, touring recommendations, and stunning color photography, Ghost Towns of the Pacific Northwest details famous sites such as Port Gamble (Washington), Fort Steele (British Columbia), and Jacksonville (Oregon) -- in addition to out-of-the-way gems like Holden (Washington), Sandon (British Columbia), and Flora (Oregon). See the region as you have never seen it before with this essential guidebook to the glory days of the Pacific Northwest!

The Oxford Handbook of the Digital Economy - Martin Peitz
2012-08-06

The economic analysis of the digital economy has been a rapidly developing research area for more than a decade. Through authoritative examination by leading scholars, this handbook takes a closer look at particular industries, business practices, and policy issues associated with the digital industry. The volume offers an up-to-date account of key topics, discusses open questions, and provides guidance for future research. It offers a blend of theoretical and empirical works that are central to understanding the digital economy. The chapters are presented in four sections, corresponding with four broad themes: 1) infrastructure, standards, and platforms; 2) the transformation of selling, encompassing both the transformation of traditional selling and new, widespread application of tools such as auctions; 3) user-generated content; and 4) threats in the new digital environment. The first section covers infrastructure, standards, and various platform industries that rely heavily on recent developments in electronic data storage and transmission, including software, video games, payment systems, mobile telecommunications, and B2B commerce. The second section takes account of the reduced costs of online retailing that threatens offline retailers, widespread availability of information as it affects pricing and advertising, digital technology as it allows the widespread employment of novel price and non-price strategies (bundling, price discrimination), and auctions. The third section addresses the emergent phenomenon of user-generated content on the Internet, including the functioning of social networks and open source. The fourth section discusses threats arising from digitization and the Internet, namely digital piracy, privacy, and security concerns.

Lonely Planet British Columbia & the Canadian Rockies - Lonely Planet
2020-04-01

Lonely Planet's British Columbia & the Canadian Rockies is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Spot wildlife in Jasper, stroll Stanley Park's Seawall Promenade, and ski at Whistler- all with your trusted travel companion.

Radiation Oncology Self-Assessment Guide - John Suh, MD 2012-09-25
Organized by site, this book covers in detail all the sites and cancer types currently treated by radiation oncologists. Detailed questions, organized in a "flash-card" format are included on the natural history, epidemiology, diagnosis, staging, treatment options, and treatment-related side effects for each cancer type allow the reader to thoroughly assess his or her knowledge of the field. The discussion of the questions includes key literature citations reinforcing the reader's knowledge of critical studies and guidelines in the field. Written in joint collaboration by residents and staff radiation oncologists at the Department of Radiation Oncology at the Cleveland Clinic Taussig Cancer Institute, the book contains more than 900 questions addressing the full gamut of the science and practice of radiation oncology today. Radiation Oncology Self-Assessment Guide Features: Comprehensive coverage of radiation oncology Flash-card" format facilitates recall of key data, treatment assessment and patient management, and important original studies Organized by the major subject areas in radiation oncology, the question sets feature structured questions and answers designed to test recall and sharpen skills Authors are from the Department of Radiation Oncology at the Cleveland Clinic Taussig Cancer Institute

Secret Vancouver 2010 - Alison Appelbe 2009-07

In 1963, Jimmy Wynn was the second most famous man in America. The comedian's uncanny impression of the President made him a star. But when the genuine article died in a hail of bullets on a sunny afternoon in New Orleans, Jimmy's career met a fate almost as grisly. What happened to the funny man afterward was a mystery no one cared to solve. Nearly 25 years later, Nathan Grant, an ambitious young journalist, discovers the trail Jimmy cut through the entertainment netherworld. He soon

realizes this forgotten court jester may have played a very serious part in the country's favorite conspiracy theory. Grant's strange and increasingly dangerous odyssey takes him from a dingy New York record store to the showrooms of Las Vegas, a ghost town in the Mojave Desert, and even a dinner theatre in Niagara Falls. A dark comedy about the cost of fame, Jason Anderson's "Showbiz" is the story of a man who became a punchline and a writer who is desperate to find out how the rest of the joke goes.

British Columbia Mining and Engineering Record - 1918

Butterflies of British Columbia - Jon Shepard 2011-11-01

Butterflies are found everywhere in British Columbia. Written for butterfly watchers, butterfly gardeners, naturalists, and biologists, Butterflies of British Columbia will provide years of enjoyment for the butterfly enthusiast. Hidden British Columbia - Eric Lucas 2003

This guide uncovers the best and worst of Vancouver and Victoria. It covers the Kootenays, Okanagan, and the far-flung Cariboo, including over 135 parks, beaches, and wilderness areas. Illustrations & maps.

Mountain Sheep Hunting in British Columbia - Wilfred W. Klingsat
2008-10

Laugh at the hilarious predicaments the author found himself in - or more truthfully put - put himself in. You will be guided through vicarious journeys that will educate you on the various aspects of mountain sheep hunting. Learn the tricks and methods that will enable you to have a successful sheep hunt. Resident and non-resident will greatly benefit from the suggestions and outlines provided by the author of over three decades of mountain hunting. From statistical data to all out school-of-hard knocks-experience you will reap the rewards of success no matter what your level of mountain experience is. This book is a virtual "how to" on all aspects of mountain sheep hunting. Follow the step-by-step guide for planning a sheep hunt. The author interviews a top sheep guide and a successful sheep outfitter and garnishes in-side information on locating sheep, where to look, how different weather patterns affect the rams and much more. You will be tutored on how to act when hunting with a guide; what to bring and what not to bring. Information on horn identification and what makes a good trophy. Over 30 coloured photographs depicting habitat, sheep and sheep hunters. For anyone contemplating a mountain sheep hunt in British Columbia and for everyone who has had the privilege of pursuing one of the finest game animals in the world this book is a must-have addition for the novice and for the seasoned sheep hunter. Accompany the author on a self-guided mountain sheep hunt and experience the excitement of the final stalk. Written by a hunter who pounded the ground for nearly 40 years in his sojourns over varying terrain in search of the stately and magnificent wild sheep of British Columbia.

Best Climbs Cascade Volcanoes - Jeff Smoot 2012-06-19

The Cascade volcanoes dominate the landscape in the Pacific Northwest. Best Climbs Cascade Volcanoes showcases the best routes on eighteen of these incredible mountains, from gentle glacier routes suitable for novice climbers to steep, classic mountain faces that will challenge the seasoned expert.
