It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy-to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life

Prayer - Pope Francis 2020-10-09

On the Family - Pope Francis 2016-03-15

Pope Francis has often expressed his concern for the urgent pastoral needs of families in today's society. Underscoring that deep love and

concern for the family, the Pope has spent many months speaking on this subject in his weekly Wednesday audience talks. This book is a collection of all of those talks about the family from Dec. 17, 2014 to Sept. 16, 2015. The Pope covers a wide variety of important subjects directly related to family life, speaking in his personal style that offers wisdom and practical insights for the modern family. His words are for families in general, and also directed to the important roles of all those specific persons who make up family life - husbands, wives, parents, children and grandparents. He emphasizes the deep crisis that the family and marriage are undergoing in the Western world, and says that the family is "a new mission field for the Church." He challenges families today to be witnesses to the world of love, fidelity, and service. Some of the specific topics his talks address include: the example of the Holy Family of Nazareth; transmitting the faith; educating the children; family prayer; complementarity of male and female; celebration in family life; mercy and forgiveness; dealing with illness and death; learning the value of work; poverty and economic struggles; evangelizing the culture, and much more. Throughout his addresses, the Holy Father especially

emphasizes the primary role of God and faith in family life, and the crucial importance of regular family prayer to draw on God's grace for strength, love, joy and unity within the home. "The true joy which we experience in the family is not superficial; it does not come from material objects, from the fact that everything seems to be going well. . . . True joy comes from a profound harmony between persons, something which we all feel in our hearts." - Pope Francis

A Big Heart Open to God - Pope Francis 2013-12-10

The world was shocked when Jesuit magazines across the globe simultaneously released an exclusive interview with Pope Francis, just six months into his historic papacy. Within minutes of its release, the interview dominated the worldwide media. In a wide-ranging conversation, Pope Francis spoke movingly about his spiritual life, his hopes for church reform, his open-minded stance toward gays and lesbians, his views on women, and even his favorite movies. America magazine, where the idea for the interview originated, commissioned a team of five Italian-language experts to ensure that the pope's words were transmitted accurately into English. Now this remarkable, historic, and moving interview is available in book form. In addition to the full papal interview conducted by Antonio Spadaro, SJ, on behalf of the Jesuit journals, A Big Heart Open to God includes an introduction by the editor in chief of America, Matt Malone, SJ, describing the genesis of the interview, a series of responses by a diverse range of Catholic voices, and a spiritual refection on the interview by James Martin, SJ, author of *Te Jesuit Guide to (Almost) Everything*. In his refection, Father Martin helps readers use the pope's powerful comments as a foundation for personal prayer. In this historic interview, Pope Francis's vision for the church and humanity itself is delivered through a warm and intimate conversation, and he shows us all how to have a big heart open to God.

Teaching Kids to Care for God's Creation - Mary Elizabeth Clark 2018

We all know Pope Francis has issued an urgent call to bring care for the Earth into both our spirituality and our daily actions. But how do we get started, especially with children and families? Here, Sister Mary

Elizabeth Clark responds to Pope Francis' call by offering thirty lessons that will engage children, catechists, and families in the good work of keeping our planet livable and sustainable for coming generations. Inspired by passages in *Laudato Si'* (On Care for Our Common Home), the lessons and practical activities are fun and thought-provoking. The reflections and prayers in each lesson help connect our practical actions to the gospel and deepen our spiritual sense of our common home. From activities for conserving water to developing a greater awareness of all of God's creation, this book will be a great resource for catechists and families.

Pilgrimage - Mark K. Shriver 2017-08-22

A down-to-earth and deeply intimate portrait of Pope Francis and his faith, based on interviews with the men and women who knew him simply as Jorge Mario Bergoglio. Early on the evening of March 13, 2013, the newly elected Pope Francis stepped out onto the balcony of St. Peter's Basilica and did something remarkable: Before he imparted his blessing to the crowd, he asked the crowd to bless him, then bowed low to receive this grace. In the days that followed, Mark K. Shriver—along with the rest of the world—was astonished to see a pope who paid his own hotel bill, eschewed limousines, and made his home in a suite of austere rooms in a Vatican guesthouse rather than the grand papal apartment in the Apostolic Palace. By setting an example of humility and accessibility, Francis breathed new life into the Catholic Church, attracting the admiration of Catholics and non-Catholics alike. In *Pilgrimage*, Shriver retraces Francis's personal journey, revealing the origins of his open, unpretentious style and explaining how it revitalized Shriver's own faith and renewed his commitment to the Church. To help us understand how Jorge Mario Bergoglio became Pope Francis, Shriver travels to Bergoglio's native Argentina to meet with the people who knew him as a child, as a young Jesuit priest, and as a reformist bishop. Shriver visits the confessional where Bergoglio first felt called to a faith-based life and takes us to the humble parish where the future pontiff's pastoral career began: in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires. In these

impoverished surroundings, Bergoglio answered Christ's call to feed the hungry, clothe the naked, and shelter the homeless, following the example set by his papal namesake, St. Francis of Assisi. In this deeply reported yet highly personal book, Mark K. Shriver explores how Francis's commitment has struck a chord in the hearts of millions who long to make faith, love, humility, and mercy part of their lives as they go out into the world to serve and learn from the most marginalized. Praise for Pilgrimage "Well-researched . . . Pilgrimage shines a light on [Pope Francis's] unexplored aspects. . . . A very timely and important addition to the literature on the life and person and thinking of Pope Francis. Everybody interested in Pope Francis will enjoy reading this biography."—The Washington BookReview "Apt to stir the soul of readers . . . While this is a rich telling of Bergoglio's life and ascension to the papacy, it is more movingly a spiritual memoir that draws us deep into a knowing of this at once humble and soul-stirring rekindler of faith."—Chicago Tribune "A fascinating portrait of a man and a nourishing account of spiritual yearning."—Booklist "This fast-paced and fascinating tale takes us on Jorge Mario Bergoglio's pilgrimage from his grandmother's knee in the Italian-Argentine community, through years of success and sorrow in the tumultuous country that he loved, to his surprise election as Pope Francis."—Cokie Roberts, New York Times bestselling author of *Capital Dames: The Civil War and the Women of Washington, 1848-1868* "All people of good faith, including those whose lives are not guided by religious beliefs, will be inspired and enlightened by the compelling manner in which Pilgrimage brings us closer to the heart and mind of Jorge Mario Bergoglio, Pope Francis. I highly recommend this book; it will make a difference in your life."—Cardinal Seán O'Malley, OFM Cap.

The Church of Mercy - Pope Francis 2014-04-20

"A magnificent book, bursting with profound spiritual insights, from a man who has quickly become one of the greatest spiritual teachers of our time." --James Martin, SJ, author of *Jesus: A Pilgrimage* In the year since he was elected, Pope Francis's simple message of mercy, service, and renewal has spread to every corner of the world. Through his gentle

demeanor, selfless actions, and welcoming call for service to others, Pope Francis has captured the attention of a world longing for an authentic message of hope—we want to hear what he has to say. Collected from Pope Francis's speeches, homilies, and papers presented during the first year of his papacy, *The Church of Mercy* is the first Vatican-authorized book detailing his vision for the Catholic Church. From how to be citizens of the world to answering God's call for evangelization, Pope Francis's deep wisdom reminds us that the Church must move beyond its own walls and joyfully bring God's mercy wherever suffering, division, or injustice exists. Named TIME Magazine's 2013 "Person of the Year," Pope Francis is helping the Church continue toward an authentic Christianity that is faithful to the Gospel and resonant with the world's greatest needs. *The Church of Mercy* encourages each of us to ignite the flame within to help share the light of Christ and revitalize the Church.

Laudato Si' - Pope Francis 2020-10-06

Laudato Si' is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

Sharing the Wisdom of Time - Pope Francis 2018

Children and Sustainable Development - Antonio M. Battro 2016-12-08

This book addresses the changes in education practices, especially basic education, necessitated by the global challenges of climate change and sustainable development and in a context characterized by increasing poverty and inequality, migration and refugees. Written by a range of international scholars, scientists and grassroots practitioners from Africa, Latin America, Asia (India, China, Malaysia) and Europe, the

individual contributions focus on education policies and child development in various social contexts. Case-based experiences from both developed and developing countries provide inspiration and shed new light on the fundamental changes needed to adapt existing school systems and teacher training to face the challenges of the future. In this regard, the need to empower children themselves is emphasized. All contributions are based on a Workshop hosted in November 2015 by the Pontifical Academy of Sciences at the Vatican entitled "Children and Sustainable Development: A Challenge for Education" and follow three other significant events on sustainable development in 2015, namely the publication of *Laudato Si'*, the Encyclical Letter from Pope Francis, the release of the United Nations Sustainable Development Goals, and the COP21 Conference in Paris.

Lessons From the Least of These - Robert L. Woodson Sr. 2020-12-15

This book is about "the least among us," and the extraordinary power of grassroots leaders who are transforming the lives of forgotten men and women in the most toxic neighborhoods. The strategies they applied in healing the most desperate communities also hold the key to healing our divided and empty nation today. From the lessons he has learned from witnessing the work of committed neighborhood leaders, Robert Woodson has gleaned ten fundamental principles that should be applied to uplift not only those who are at the bottom rung of society, but also people of means who experience the emptiness of life without meaning and purpose. Bob walks the reader through his discovery of each of these life-changing precepts and, along the way, we discover how each of us can experience new value in our lives and be empowered to contribute to our world. In reading, you will understand what it takes to overcome adversity and transform people from the inside out. You will feel inspired to adopt these longstanding, proven values that have generated

astonishing long-term results in reshaping lives and homes. Equipped with the information, you will discover a whole new way of approaching revitalization of the world you serve as well as your own life. God does not choose the capable; He chooses the called and then makes them capable.

Dear Pope Francis - Pope Francis 2016-02-22

A New York Times Best Seller 2017 Illumination Book Awards, Gold (tie): Children's Picture Book 2017 Independent Press Awards, Distinguished Favorite: Book Cover Design, Children's 2017 Catholic Press Association Book Awards, First Place: Children's Books 2017 Catholic Press Association Book Awards, First Place: Pope Francis 2017 Association of Catholic Publishers' "Excellence in Publishing Book Awards," Book of the Year If you could ask Pope Francis one question, what would it be? Children have questions and struggles just like adults, but rarely are they given the chance to voice their concerns and ask the big questions resting deep in their hearts. In *Dear Pope Francis*, Pope Francis gives them that chance and celebrates their spiritual depth by directly answering questions from children around the world. Some are fun. Some are serious. And some will quietly break your heart. But all of them are from children who deserve to know and feel God's unconditional love. Also available in Spanish as *Querido Papa Francisco*. "Feels akin to sitting in on a series of intimate conversations." -Publishers Weekly "The People's Pope shows that he is a down-to-earth man who understands both religion and children." -Kirkus Reviews

Happiness in This Life - Pope Francis 2017-12-05

A collection of homilies, speeches, and "messages of the day" that brings together Pope Francis's wisdom on finding happiness in the here and now For Pope Francis, the appreciation of our everyday lives is a spiritual undertaking. Joy is a divine attribute, and creating joy around us an essential part of faith. Every homily and speech in this book delivers, in warm, engaging language accessible to believers and nonbelievers alike, a key lesson, instructing readers on finding love and happiness in a chaotic world. Along the way, Pope Francis discusses the sanctity of women's rights, talks about how the love of sports can bring out our best

qualities, and explains why fighting discrimination is the essence of loving thy neighbor. He shares personal stories and anecdotes from his life, provides comforting messages of hope, and discusses the ways flawed families can make you a better person. The core ideas of Francis's papacy—mercy, support for marginalized people, and diplomacy—shine through. Praise for *Happiness in This Life* "Though the title of the book mentions happiness, this collection of thoughts addresses something much deeper—joy. Bringing together excerpts from Pope Francis's sermons, speeches, prayers, and addresses, these pieces address a range of themes, from mercy and humility to simplicity and family. . . . Readers will be encouraged to clear away the cacophony of modern society and embrace the simplicity of joy. A book as loving and encouraging as the man himself seems to be."—Booklist "With this wide-ranging collection of writings, homilies, and addresses, the current pontiff dispels any notion that religious practice is dour and antiquated. . . . It brings together the pope's most affecting passages to inspire Catholics (and those of other faiths) to lift up those around them."—Publishers Weekly "Reminiscent of the gentle encouragement of the Dalai Lama . . . Family-centered and practical—especially on difficult matters of familial contention—these homilies are, on the whole, gentle encouragements to do the right thing. . . . [This] collection offers clear insight into the pope's doctrinal concerns."—Kirkus Reviews

Creator of the popular website The Religion Teacher, Jared Dees shares practical, easy-to-use teaching strategies and exercises for spiritual growth in his book *31 Days to Becoming a Better Religious Educator*. These components are designed to improve the effectiveness of any busy religious educator. Volunteer catechists and professional religion teachers are responsible for two unique and challenging tasks: sharing (and assessing) information and the spiritual formation of their students. This succinct, practical resource helps busy catechists and religion teachers with both tasks and is designed for use either over consecutive days in one month, or by specific themes that encourage personal improvement in areas of discipleship, service, leadership, and overall teaching. Each of the thirty-one days includes a clear title that gives the lesson theme, a quotation from Scripture, an introduction to the exercise, step-by-step actions to take for the day, and spiritual enrichment ideas for the educator.

The Francis Miracle - John L. Allen, 2015-03-03

There is no other organization whose inner workings are more secretive than the Vatican - the spiritual and physical center - of the Catholic Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to display the vast machinery, and the man at the helm in a way that no other writer can. The Boston Globe has stated that John L. Allen 'is basically the

reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican.'

Lessons from Pope Francis for Children - Angela M. Burrin
2014-11-01

Pope Francis has lessons for all of us young and old alike. In this beautifully illustrated book, the Holy Father talks about God's love, our friendship with Jesus, the gift of the Holy Spirit, the importance of prayer and taking care of the poor, how to get along in our families, and more. Each lesson is paired with a story from the Bible from the parable of the Good Samaritan to the wedding feast at Cana. This is a wonderful way for children to understand the Holy Father's teachings as they grow in their Catholic faith.

Pope Francis - Chris Lowney 2013-09-04

TIME Magazine's Person of the Year: Pope Francis Learn about the First Jesuit Pope from America's Leading Jesuit Publisher "Pope Francis by Chris Lowney is that rare and splendid work that leaves you keenly excited and spiritually moved. The writing is lucid, vivid, inviting, and rich. It's a major achievement. I strongly recommend it to any Christian in a leadership role." - Joseph Tetlow, SJ From choosing to live in a simple apartment instead of the papal palace to washing the feet of men and women in a youth detention center, Pope Francis's actions contradict behaviors expected of a modern leader. Chris Lowney, a former Jesuit seminarian turned Managing Director for JP Morgan & Co., shows how the pope's words and deeds reveal spiritual principles that have prepared him to lead the Church and influence our world—a rapidly-changing world that requires leaders who value the human need for love, inspiration, and meaning. Drawing on interviews with people who knew him as Father Jorge Bergoglio, SJ, Lowney challenges assumptions about what it takes to be a great leader. In so doing, he reveals the "other-centered" leadership style of a man whose passion is to be with people rather than set apart. Lowney offers a stirring vision of leadership to which we can all aspire in our communities, churches, companies, and families.

The Ethics of Encounter - Mescher, Marcus 2020-03-18

The Joy of the Gospel - Pope Francis 2014-10-07

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Pope Francis - Paul Vallely 2013-08-01

From his first appearance on a Vatican balcony Pope Francis proved himself a Pope of Surprises. With a series of potent gestures, history's first Jesuit pope declared a mission to restore authenticity and integrity to a Catholic Church bedevilled by sex abuse and secrecy, intrigue and in-fighting, ambition and arrogance. He declared it should be 'a poor Church, for the poor'. But there is a hidden past to this modest man with the winning smile. Jorge Mario Bergoglio was previously a bitterly divisive figure. His decade as leader of Argentina's Jesuits left the religious order deeply split. And his behaviour during Argentina's Dirty War, when military death squads snatched innocent people from the

streets, raised serious questions - on which this book casts new light. Yet something dramatic then happened to Jorge Mario Bergoglio. He underwent an extraordinary transformation. After a time of exile he re-emerged having turned from a conservative authoritarian into a humble friend of the poor - and became Bishop of the Slums, making enemies among Argentina's political classes in the process. For Pope Francis - *Untying the Knots*, Paul Vallely travelled to Argentina and Rome to meet Bergoglio's intimates over the last four decades. His book charts a remarkable journey. It reveals what changed the man who was to become Pope Francis - from a reactionary into the revolutionary who is unnerving Rome's clerical careerists with the extent of his behind-the-scenes changes. In this perceptive portrait Paul Vallely offers both new evidence and penetrating insights into the kind of pope Francis could become.

Good Pope, Bad Pope - Mike Aquilina 2013-11-06

Why did the author pick the popes you'll meet in the pages of this book? Why not Gregory I, whom many would call the greatest pope of all time? Why not Leo X, who was pope at the beginning of the Protestant Reformation? Why not Leo XIII, who boldly stood up for the rights of workers? Every pope is by definition a remarkable man. But the popes whose stories you'll read here were chosen because they reveal how the papacy developed. They show us how Christ kept his promise to his bride, the Church, not only in her health but also in her sickness. The great popes advanced our understanding of Christian doctrine. But even more remarkable, the worst popes could do nothing to damage the teaching of the Church. That's why, even in its darkest moments, the story of the papacy is a story of triumph. And that's why it's worth knowing these twelve popes.

History of the World Christian Movement - Dale T. Irvin 2002-01-10

This thorough, lucid, solidly researched book, the first of two volumes, charts the history of global Christianity.

Let Us Dream - Pope Francis 2020-12-01

In this uplifting and practical book, written in collaboration with his biographer, Austen Ivereigh, the preeminent spiritual leader explains

why we must—and how we can—make the world safer, fairer, and healthier for all people now. In the COVID crisis, the beloved shepherd of over one billion Catholics saw the cruelty and inequity of our society exposed more vividly than ever before. He also saw, in the resilience, generosity, and creativity of so many people, the means to rescue our society, our economy, and our planet. In direct, powerful prose, Pope Francis urges us not to let the pain be in vain. He begins *Let Us Dream* by exploring what this crisis can teach us about how to handle upheaval of any kind in our own lives and the world at large. With unprecedented candor, he reveals how three crises in his own life changed him dramatically for the better. By its very nature, he shows, crisis presents us with a choice: we make a grievous error if we try to return to some pre-crisis state. But if we have the courage to change, we can emerge from the crisis better than before. Francis then offers a brilliant, scathing critique of the systems and ideologies that conspired to produce the current crisis, from a global economy obsessed with profit and heedless of the people and environment it harms, to politicians who foment their people's fear and use it to increase their own power at their people's expense. He reminds us that Christians' first duty is to serve others, especially the poor and the marginalized, just as Jesus did. Finally, the Pope offers an inspiring and actionable blueprint for building a better world for all humanity by putting the poor and the planet at the heart of new thinking. For this plan, he draws not only on sacred sources, but on the latest findings from renowned scientists, economists, activists, and other thinkers. Yet rather than simply offer prescriptions, he shows how ordinary people acting together despite their differences can discover unforeseen possibilities. Along the way, he offers dozens of wise and surprising observations on the value of unconventional thinking, on why we must dramatically increase women's leadership in the Church and throughout society, on what he learned while scouring the streets of Buenos Aires with garbage-pickers, and much more. *Let Us Dream* is an epiphany, a call to arms, and a pleasure to read. It is Pope Francis at his most personal, profound and passionate. With this book and with open hearts, we can change the world.

Lead with Humility - Jeffrey Krames 2014-09-09

How did a relatively unknown priest from Argentina rise so quickly from obscurity to one of the top leaders of the twenty-first century? The answer lies in his humility, as well as the simple principles that have sprung from it. In the years since his election to the highest position in the Catholic Church, Pope Francis has breathed life into an aging institution, reinvigorated a global base, and created real hope for the future. His early accomplishments have been so remarkable that in 2014, *Fortune* magazine awarded the top spot of their coveted World's Greatest Leaders list not to a captain of industry or political leader but to the new pontiff. *Lead with Humility* explores 12 of these principles and shows how other leaders and managers across a broad spectrum can adapt them for the workplace with just as impressive results as our great pope has. These invaluable principles include: Don't stand over your employees--sit down with them Don't judge—assess Take care of people, not lobbies Go where you are needed Temper ideology with pragmatism Don't change--reinvent! Even just a few years in, it is clear to all that Pope Francis's ability to inspire the world is unprecedented in modern times. *Lead with Humility* reveals the power of his methods, and helps anyone lead with the humility, grace, and authenticity that has elevated the pope to where he is today and had a direct impact in inspiring everyone and everything around him.

On a Mission - Patrick Madrid 2013-11-06

In this new book, Patrick Madrid uses the example of St. Francis de Sales to illustrate the zeal, spiritual principles, and attitude of one who sets out to live and share the faith. Christ sent his apostles into the whole world to make disciples of all nations, and by virtue of our baptism, we, too, are called to be apostles on this same mission. But how do we start? How can we accomplish in today's culture? In this book, Patrick shares his own time-tested methodology for teaching Catholics how to prepare themselves to: Explain their faith more intelligently Defend it more charitably Share it more effectively His methodology, derived from more than twenty-five years working in the field of apologetics, involves both practical techniques and theological truths revealed to us in Scripture

and exemplified in the lives of the saints. It includes emulating the apologetics techniques of the original apostles, as well as the Fathers and Doctors of the Church in ensuing centuries. More importantly, it details the sanctifying process of cooperating with God's grace as he lovingly forms an apostolic heart for others within each of us.

Fratelli Tutti - Pope Francis 2020-11-05

Amoris Laetitia - Pope Francis 2016-04-22

"All of us are called to keep striving towards something greater than ourselves and our families, and every family must feel this constant impulse. Let us make this journey as families, let us keep walking together." Pope Francis, *Amoris Laetitia* In his groundbreaking work on modern family life, *Amoris Laetitia: On Love in the Family*, Pope Francis continues to guide and lead the Church, calling us to be a sign of mercy and encouragement for families of all shapes and sizes. The Our Sunday Visitor edition includes exclusive reflection and discussion questions, to help Catholics grow in our understanding of this call, and act upon it. In *Amoris Laetitia: On Love in the Family* the Holy Father expands on the topics and considerations of the two Synods on the family, and adds his own considerations to help us provide pastoral guidance to support and strengthen today's families. *On Love in the Family* guides us through: Scripture - what we can learn from Biblical families and relationships with God and each other Reality - the experiences and challenges we face in today's world Tradition - essential aspects of Church teaching on marriage and families Love - what it means for all our relationships Ministry - Pope Francis offers pastoral perspectives for helping build strong families Spirituality - the expression of the Gospel message in our relationships

Pope Francis - Stephanie Watson 2017-01-01

On March 19, 2013, Cardinal Jorge Mario Bergoglio of Argentina became Pope Francis, the 266th Pope of the Catholic Church. His election to the papacy was notable in many ways. He became the first pope from the Americas, the first pope from the Southern Hemisphere, the first non-European pope in more than 1,200 years, the first Jesuit pope, and the

first pope to choose the name Francis. Pope Francis was not the person that most people expected to ascend to the papacy when Pope Benedict XVI resigned from the role in late February 2013. While serving as the Archbishop of Buenos Aires, Argentina, Cardinal Bergoglio was known for his dedication to helping the poor and admired for his modest lifestyle. After his inauguration, Pope Francis retained many of his humble ways. People around the globe eagerly watch to see what changes he might bring about in the Catholic Church. Follow Pope Francis's journey to the papacy, from his days as a young chemist to his studies of theology. Learn more about his beliefs and hobbies—including his interests in soccer and tango dancing. Find out the true story behind the man who became the 266th pope.

Christus Vivit - Pope Francis 2019-04-04

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Catholics and Protestants - Peter Kreeft 2017-01-25

The widely read author and philosopher Peter Kreeft presents a unique book about the important beliefs that Catholics and Protestants share in

common. Inspired by Christ's prayer for unity in the Gospel of John and Saint John Paul II's encyclical *Ut Unum Sint*, Kreeft demonstrates that Christian reunification is possible. While he acknowledges that there are still significant differences between Catholics and Protestants, he emphasizes that they agree on the single most important issue: justification. The style of this book is modeled on Pascal, Solomon, and Jesus: short answers and single points to ponder rather than long strings of argument. The writing is direct, simple, and confrontational, but vertically rather than horizontally by "directing arrows not against each other (Protestant or Catholic) but against our own hearts and minds and wills." The purpose of this book, writes Kreeft, is to be "like an Australian sheepdog, herding and hectoring Christ's separated sheep back to His face. For that is the only way they can ever return back to each other."

[The Gospel of Life](#) - Pope John Paul II 1995-04

Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life. In view of today's climate of practical materialism, he addresses, among other issues: abortion artificial reproduction techniques contraception death penalty euthanasia legitimate defense sterilization suicide The Holy Father encourages the faithful to promote and develop the Christian message concerning life, based on the goodness and dignity of life and on the human responsibility

to share in the fullness and truth of God's love. In order to build a new culture of human life through prayer and action, he welcomes evangelization efforts and stresses the role of the family in bringing this to fruition. Noting the unique role of women in promoting a "new feminism" that overcomes discrimination, violence, and exploitation, the pope recognizes the witness of love through motherhood and also adds a special word to women who have had an abortion. The letter concludes by looking to Jesus, in order that all may contemplate the life that was made manifest, and to the example and solace of Mary, who is the mother of life.

[To Change the Church](#) - Ross Douthat 2018-03-27

A New York Times columnist and one of America's leading conservative thinkers considers Pope Francis's efforts to change the church he governs in a book that is "must reading for every Christian who cares about the fate of the West and the future of global Christianity" (Rod Dreher, author of *The Benedict Option*). Born Jorge Mario Bergoglio in 1936, today Pope Francis is the 266th pope of the Roman Catholic Church. Pope Francis's stewardship of the Church, while perceived as a revelation by many, has provoked division throughout the world. "If a conclave were to be held today," one Roman source told *The New Yorker*, "Francis would be lucky to get ten votes." In his "concise, rhetorically agile...adroit, perceptive, gripping account (*The New York Times Book Review*), Ross Douthat explains why the particular debate Francis has opened—over communion for the divorced and the remarried—is so dangerous: How it cuts to the heart of the larger argument over how Christianity should respond to the sexual revolution and modernity itself, how it promises or threatens to separate the church from its own deep past, and how it divides Catholicism along geographical and cultural lines. Douthat argues that the Francis era is a crucial experiment for all of Western civilization, which is facing resurgent external enemies (from ISIS to Putin) even as it struggles with its own internal divisions, its decadence, and self-doubt. Whether Francis or his critics are right won't just determine whether he ends up as a hero or a tragic figure for Catholics. It will determine whether he's a hero, or

a gambler who's betraying both his church and his civilization into the hands of its enemies. "A balanced look at the struggle for the future of Catholicism...To Change the Church is a fascinating look at the church under Pope Francis" (Kirkus Reviews). Engaging and provocative, this is "a pot-boiler of a history that examines a growing ecclesial crisis" (Washington Independent Review of Books).
